I understand that the primary role of a volunteer is to support the mission of the school. I am not placed in a disciplinary role with students. I also understand that I am not in school to evaluate teachers or staff. All information about students is federally protected, and I clearly understand that I cannot share personal or private information regarding students with others. Sharing such information is not only a violation of this law; it also places me in a position of being held accountable for such confidentiality breach. My signature below constitutes an understanding of the above statement and authorizes Regional School Unit 1 to conduct a background check on me for the safety and well-being of the students.
